INTRODUCTION

Health Manpower Statistics is an annual publication containing data on health and medical personnel employed by the military departments within the Department of Defense The publication is produced from a health manpower data base designed, established, and maintained by the Manpower Management Information Division (MMID) of the Washington Headquarters Services/Directorate for Information Operations and Reports (WHS/DIOR) in support of the Office of the Assistant Secretary of Defense for Health Affairs, DASD(HA)

Navy (USN), and the Air Force (USAF) on each of 32 different formats have been consolidated and are presented in this volume. Data include personnel (both officer and enlisted) and Data are submitted annually, 1/ as of the end of the fiscal year, by the military departments in accordance with DoD Instruction 7730.36. Data submitted by the Army (USA), civilian personnel.2/ This report includes comparison data for the end of the fiscal year by requirements and authorizations and assignments by corps level and selected specialties. Other formats present recruiting summaries, gains by program source, force strength projections, and and dental officers. Education summaries show recruiting sources and projections for Armed extensive displays of rank, years of service, and primary and duty specialties for medical Forces Health Professions Scholarship Program (AFHPSP) and graduate medical and dental education programs.

- 1/ Seven formats are required semiannually as of the end of March.
- Data about civilian personnel are displayed in Formats 6 and 7 only.

Administrative / Management Positions for Dentists - A position with primary duty in administration or management examples include: commanders, facility directors and HQ staff officers.

Administrative/Management Positions for Physicians - A position with primary duty in administration or management; examples include: commanders, facility directors, HQ staff officers, major command surgeons and corps surgeons.

ACHESP - Armed Forces Health Professions Scholarship Program.

Applicants - Total number of applicants by specialty or corps level.

Budget Authorization - Reflects the number of billets for each specialty officially authorized on the last day of the reporting period.

Corps - A grouping of health profession.

Discipling - A specific health profession.

<u>Duty specialty</u> - The specialty to which an individual is actually assigned.

End Strength - Reflects the personnel actually assigned against the authorizations on the last day of the reporting period.

<u>Field Medical</u> - Personnel assigned to tactical medical units, air evacuation units, etc.

EMG - Foreign Medical Graduate.

EIE - Full-Time Equivalents. Total yearly number of hours performed by all part-time local hire employees divided by 2,080 (number of hours in a work year).

EXDE - Five Year Defense Program.

EXCONE - First Year Graduate Medical Education.

Gains - Entrants to active duty during a giving fiscal year.

GDE - Graduate Dental Education.

GME - Graduate Medical Education.

Goal - Recruiting goal for fiscal year.

Local Nationals - Non-United States citizens employed in the DoD health care system.

<u>Losses</u> - Those personnel who are no longer on active duty.

<u>Maximum Program Size</u> - Maximum total number of students allow in the specific training program in the given year (capacity of program).

Minimum Program Size - Minimum total number of students that must be in the specific training program to maintain accreditation.

No. <u>Declined</u> - Applicants who, following selection, chose not to enter active duty or a training program.

No Entered Active Duty - Of the selectees, those who actually entered active duty or a training program.

Nurse Practitioners - Includes Obstetrics/Gynecology, Pediatrics, Primary Care, Family Practice, and Pulmonary Disease Nurse Specialties.
